YOU'RE BILIOUS! LET 'CASCARETS' LIVE LIVER AND BOWELS

Don't stay headachy, constipated, sick, with breath bad and stomach sour

Get a 10-cent box now.

You men and women who can't get feeling right—who have a headache, coated tongue, bad taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have a bad cold.

Are you keeping your bowels clean with Cascarets, or merely forcing a passageway every few days with salts, cathartic pills or castor oil.

Cascarets work while you sleep, cleanse the stomach, remove the sour, undigested, fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels.

A Cascaret tonight will surely straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet, liver and bowels regular, and head clear for months. Don't forget the children. They love Cascarets because they taste good—never gripe or sicken.

LUSITANIA PEACE TERMS

Agreement Establishing Precedents and Assuring Americans' Safety

Washington, Feb. 9.—Berlin today received a cable America's provisional acceptance of Germany's latest proposals on the Lusitania. America's acceptance will be made complete when the German foreign office substitutes a formal note for the informal memorandum presented by Ambassador Bernstorff last week.

The informal memorandum which President Wilson agreed would be acceptable, when made into a formal note, is held to concede practically every demand made by the United States and to assure safety of American voyagers. It is regarded, in effect, as a real disavowal of the sinking of the vessel. And, what the President considers even of greater importance, it forms a diplomatic precedent and a basis for international law regarding submarine warfare.

The poultry raisers of Earlinton are vying with each other to see whose hens will lay the most eggs. Many broods are producing a fine lot of eggs, much to their owners' satisfaction.

W. W. Hancock, one of the most progressive farmers in this section, still has a large supply of witnessap apples which have kept perfectly, owing to the methods used by Mr. Hancock in storing them. He estimates his orchard yield at 500 bushels.

Friends of Charles Bridges, the L. & N. engineer, will be glad to know that he will soon be on his run again, after having been off duty for several months.

Little Mary Alice Hamby, daughter of Mr. and Mrs. L. O. Hamby, who has been dangerously ill with pneumonia, is improving.

The members of the Knights Templar Lodge are looking forward to a banquet to be served on next Monday night at the lodge room. The dining hall has been newly papered this week and will present a very pleasing appearance.

SOCIETY

To celebrate the anniversary of her birthday, Miss Mabel Browning gave an elaborate progressive Rook party Saturday afternoon. She was assisted in receiving by her mother Mrs. Browning and Miss Huffaker. After the guests had found their partners by drawing score cards, they were seated at the seven tables scattered thruout the spacious room of the Browning home. After a number of exciting games, the scores of which were kept by Miss Lena Davis, prizes, dainty, hand embroidered handkerchiefs were awarded Misses Sarah Orntobfield and Mary Smith. Pink and white, the color scheme of the afternoon, was carried out in the loes, cakes and mints. The invited guests included Misses Orrell, of Birmingham, Prentice, of Morganfield, and Smith, of Fordville; Heller, Huffaker, Atkinson, Victory, Long, Davis, Howard, Sisk, Lynn, Dudley, Spillman, Orntobfield, McElfattrick, Margaret and Elisabeth Kemp and Hazel, Lucy and Julia Fawcett. Mesdames King, Trahern, Evans, Elgie and J. M. Sisk. Many beautiful gifts were received by the hostess.

Miss Dorothy Bramwell accompanied by Miss Ascel Prentice, of Morganfield, spent the week-end with Miss Eliza Robinson.

Mrs. Ernest Newton was host of the B. D. E. Club on Wednesday. After the sewing was tucked securely into the sewing bags the hostess served a tempting salad course, adding much to the afternoon enjoyment.

Mrs. Sizemore gave a (500) party Thursday afternoon. At the conclusion of the games a salad course was enjoyed by Mesdames Rule, Sisk, Southworth, King, Withers, Fish, Eastwood, Doyal, Sisk, Deahon, Cowell and Johnson.

What promises to be the most elaborate affair of the season will be the Valentine Party which the young ladies will give Saturday evening at the beautiful home of Miss Francis McElfattrick. The twenty girls and matrons are formed into various committees and are busily engaged arranging the final details. The lucky "swains" are looking forward to this affair with much interest and are no doubt secretly planning a novel method for repaying this charming courtesy extended them.

Miss Mary Smith, after a visit to Miss Agnes Lynn, spent several days with Miss Margaret Kemp at Oakmoor, returning to her home in Fordville Monday.

A candy pulling was a novel feature of the Triangle Club entertainment when they met Tuesday evening at the home of Miss Margaret Dudley.

The attractive home of Mrs. David Cowell near South Railroad St. was thrown open to the members of the Needle Craft Club and several visitors including, Mesdames Eastwood, Sizemore and Withers Wednesday evening. Mrs. Cowell and Miss Cynthia Watts gave several selections on the piano. Before their departure, a delicious luncheon was much enjoyed by the guests who voted this one of the most enjoyable of their evening together.

The Winnie Stewart Concert Company, which played here last week, played to a small but appreciative audience at Mortons Gap Wednesday night.

Mrs. McKenzie and children, of Owensboro, will arrive the first of next week to visit Mrs. McKenzie's sister, Mrs. John Coyle.

Miss Mabel Browning, who for several years was popular saleslady for Casler & Brown Bros., has resigned and will take a much needed rest.

Mrs. Robert Aspley and children and Mrs. W. G. Beckham, sister and mother of Mrs. L. V. Renfro, spent several days here this week.

Mr. and Mrs. W. W. Kington, who are spending their honeymoon in Florida, will be at home after March 10, at Mortons Gap.

Mrs. C. R. Bowman and children returned to their home in Evansville after spending a few days with Mr. and Mrs. J. B. Wyatt.

R. S. Hunter, lumberman of Dawson Springs, was here this week.

MISS FREDERICK IS IN HOSPITAL

Improving—Will be off Duty For Several Weeks

MISS WILLIAMSON
WILL FILL PLACE
TEMPORARILY

News from Louisville is to the effect that Miss Georgia Frederick, visiting nurse for Hopkins County Public Health League, is improving nicely in one of the hospitals of that city. Miss Frederick was quite ill of appendicitis early last week at Madisonville. Miss Fox, of St. Bernard Hospital, went to her relief Tuesday evening and brought her to Earlinton the next day. She remained in the hospital here until Sunday afternoon, when Miss Williamson, organizing nurse, came and it was arranged that Miss Frederick should go to Louisville and take a period of rest and treatment in preparation for resumption of her work in Hopkins County. An official of the local Health League has arranged with Col. L. M. Maus, secretary of the Kentucky Tuberculosis Commission, to have Miss Williamson return to this county to carry on for the present the work that has been laid out by the executive committee and Miss Frederick. This work includes as one of the chief features, a free clinic for trachoma patients, which will be opened at Madisonville within a short time. Miss Williamson will report for duty today or tomorrow. Miss Williamson has just now been installing a new nurse in Muhlenberg county to fill the place made vacant by resignation of the former nurse to go to another field.

Triangles

Miss Margaret Dudley entertained the Triangle Tuesday evening at her home on Farren avenue. After the business of the club was transacted at the sewing hour, each member present was presented with an apron and plate of taffy, and instructed to pull. The most of it turned out beautifully and the club adjourned, having spent one of the most pleasant evenings of the season, to meet next Tuesday with Miss Hazel Fawcett.

Will Phillips and J. E. Fawcett left Wednesday morning for Louisville, Frankfort and Ravina, to be gone several days.

Mrs. L. W. Renfro was in Madisonville Wednesday afternoon.

Mr. and Mrs. Brent Hart, of Dawson, are in the city visiting Mrs. J. M. Victory.

Morton Victory, of LaGrange, Ky., is in the city for a few days.

Miss Jeannette Orrell left Thursday to visit friends in Providence for a few days.

Mrs. Chas. Barnett has returned from Evansville, where she has been visiting her sister.

Mr. and Mrs. Ray Cobb, of Mortons Gap, have moved to Earlinton, occupying a house near Railroad street belonging to the Crenshaw property. Mr. Cobb is employed as machine foreman at Arnold mine.

GIRLS! GIRLS! TRY IT! STOP DANDRUFF AND BEAUTIFY YOUR HAIR

Hair stops falling out and gets thick, wavy, strong and beautiful

Your hair becomes light, wavy fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Danderine hair cleanser." Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

Besides beautifying the hair at once, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair.

But what will please you most will be after a few week's use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair and lots of it surely get a 25-cent bottle of "Knowlton's Danderine" from any druggist or toilet counter, and just try it.

An Interesting Address

Tuesday evening 8th inst. St. Bernard Lodge No. 240 I.O.O.F. of this place, was treated to a lecture on Odd Fellowship by the past Grand Chaplain of the Grand Lodge of Odd Fellows of Kentucky.

Bro. Goodsoon, (who by the way is the Presiding Elder of the M. E. Church, south, in this district) gave us the most practical and instructive lecture that has been our pleasure to hear in many days.

We know a little about Odd-fellowship by experience and observation in Kentucky; but we had no idea of, the beneficence and good influence the Order is exerting throughout the State of Kentucky.

The Lodge held an open meeting and an invitation had been given to the public to attend, and a considerable number of profanes attended.

The lecturer, besides giving us splendid history of the workings of the Grand Lodge of I.O.O.F. in Kentucky, and its two "Homes for Orphan Children" and "Indigent Odd Fellows" and their wives, is an orator of the first magnitude, and we recommend him heartily to the consideration of the citizens of Earlinton as a public speaker.

Time works wonders. It may even yet unearth a candidate or two for the vice presidency.

Need of Contrast in Beauty. An essential prerequisite to all beauty is contrast. To obtain artistic effect light must be put in juxtaposition with shade, bright colors with dull, a fretted surface with a plain one. Forte passages in music must have piano passages to relieve them, concerted pieces need interspersing with solos, and rich chords must not be continuously repeated. This general principle will, I think, explain the transformation of the bygone useful into the present beautiful. It is by virtue of their contrast with our present modes of life that past modes of life look interesting and romantic.—Herbert Spencer.

Tea seeds resemble hazelnuts. They are sown in beds to grow thickly together like cabbages.

BECAUSE HIS BUSINESS WAS WELL ADVERTISED

Letter Addressed to "The Well Digger Man" Brought Good Contract

Another proof that "it pays to advertise." The way a letter followed E. F. Dowdus from Madisonville to an address at his new place of residence some time after he had moved, proves the adage. The writer could not think of Mr. Dowdus's name but he knew that he drilled wells and a hole in the ground was what he wanted. So he addressed his letter to

"The Well Digger Man, Madisonville, Ky."

This letter was forwarded to his new address, and—Dowdus answered and got a three thousand dollar job on the strength of it.

BAD COLD? HEADACHY AND NOSE STUFFED

"Pape's Cold Compound" ends colds and gripe in a few hours

Take "Pape's Cold Compound" every two hours until you have taken three doses, then all gripe misery goes and your cold will be broken. It promptly opens your clogged-up nostrils and the air passages of the head; stops nasty discharge or nose running; relieves the headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and sniffling. Ease your throbbing head—nothing else in the world gives such prompt relief as "Pape's Cold Compound" which costs only 25 cents at any drug store. It acts without assistance, tastes nice, and causes no inconvenience. Accept no substitute.

Christian Church Notes

In a recent letter from Miss Alice Miller to the Sunday School, she tells of the "Giving Christmas" her Sunday School enjoyed this year, following the example of the Earlinton school last year, when they sent gifts to the Japanese children. She felt this to be the best Christmas these Japanese have enjoyed. She continues to be in splendid health and asks for the prayers of her friends in Earlinton.

The Auxiliary to the C. W. B. M. met Wednesday afternoon at the church with Mrs. Robert Fenwick as leader. The topic "India" was discussed, a large number taking part on the program. A song by Mrs. J. R. Rash and reading by Miss Elizabeth Long were interesting features of the program. There were 21 present despite the fact that a number were kept away because of illness, others being out of town.

The Aid Society meets each week at the church. The President, Mrs. Cloyd, has been very active since accepting this office and has gotten quite a few nice orders for sewing. Sixteen were present this week.

Because of the inclement weather the Sunday School attendance fell off last Sunday, but let's make up for this next Sunday. If you are not going to any other school we invite you to come.

The Earlinton church feels that it is very fortunate indeed to have had the call unanimously given Bro. J. S. Hawkins, of Princeton, accept by this splendid man. He will begin his ministry the fourth Sunday in February.

Mrs. Robert Priest is spending most of her time at the bedside of her mother, Mrs. Grasty, of Morgans, who is critically ill.

Government and Business

If the United States should be
come involved in hostilities with
another nation we have the nec-
essary resources developed now,
through private enterprise whol-
ly, and in spite of governmental
interference and repression. For
instance the United States Steel
Corporation now has capacity for
turning out 20,000,000 tons of in-
gots, a production as large as
that of all Germany. In addi-
tion we have several other big
steel companies with enormous
aggregate capacity. We have
many big concerns manufactur-
ing ordnance and various other
war supplies, including Bethle-
hem, Republic, Midvale and other
steel companies, American

Health Is Basis Of All Content

The Half Sick Man or Woman Is a Stranger to Happiness

Contentment is the very essence of happiness. But to be contented, or happy, if you will, you must first have good health. The supreme toast to the one we admire is "Health, wealth and happiness," and the key to health is health.

Many persons complain of being nervous and run down. This is the age of speed, we haven't time to care for ourselves. These run down men and women are not exactly sick, but just tired out, languid or maybe good-for-nothing most of the time. Their business, their home and their life suffer.

They need something to build them up, something to throw off these symptoms of a weakened, debilitated condition—produced by either mental or physical overwork or by the abuse of a vital organ—more often the stomach than any other.

That something has been found. It is Tanlac. A tonic of rare properties, an appetizer and general invigorant that rids the system of congestion, tones up the stomach, cures indigestion, heartaches, backaches, non-assimilation of food, nervousness, dizziness, ailments of kidneys and liver, and the complaints that are so common to the half sick, debilitated men and women of today.

Its effect is like lifting your spirits gently back to the level of the world's happiness that rests on health.

Tanlac may be obtained now at Earlington and S. Charles at King & Sons drug stores, in Nortonville at the City drug store, and in Morfous Gap at Ben T. Robinson's, where its properties cheerfully are explained to all callers.

EVER SALIVATED BY CALOMEL? HORRIBLE!

Calomel is quick-silver and acts like dynamite on your liver

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crushes into sour bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for 50 cents a large bottle of Dodson's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tonic straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.

Cure Old Sores, Other Remedies Won't Cure. The worst case, no matter how long standing, are cured by the wonderful, old reliable Dr. Porter's Antiseptic Healing Oil. It relieves Pain and Itch at the same time. 25c, 50c, \$1.00

RECIPE FOR GRAY HAIR.

To half pint of water add 1 oz. Bay Rum, a small box of Barbo Compound, and 1/2 oz. of glycerine. Apply to the hair twice a week until it becomes the desired shade. Any druggist can put this up or you can mix it at home at very little cost. Full directions for making and use come in each box of Barbo Compound. It will gradually darken streaked, faded gray hair, and removes dandruff. It is excellent for falling hair and will make harsh hair soft and glossy. It will not color the scalp, is not sticky or greasy, and does not rub off.

Japanese Pheasants.

Woman loves a clear, rosy complexion. Burdock Blood Bitters is splendid for purifying the blood, clearing the skin, restoring sound digestion. All druggists sell it. Price, \$1.00.
